Items on the Agenda :-

1). High St Upgrade + Councils meetings with Main Roads :- We can expect the Community consultation process to take place around August / September 2012. There will be a project leader (Belinda), an independent facilitator and technical advisors. Annolies caught up with Brad Pettitt at the Council meeting on 26th May 2012. 3 Options are to be considered for the curve of the upgraded road.... 1). 270m, 2). 240m and 3). 160m. 270m is the original Option 4 design and 160m is close to the Option 4A design of 150m. Also to be considered are Flyovers for the Private Golf Course and at Wilkinson Street. The Public GC are happy with the configuration. Both GC's have had negotiations with DoT. Councillors to meet with Main Roads in July 2012. The Upgrade project is due to start in 2014 or 2015.

General Business :- This meeting was advertised only on Freospace. The committee discussed that this should continue but that we should still send notification of meetings to the mailing list.

Meeting closed : 7.35 pm.

Next Meeting : Tuesday 28th August 2012

Subsequent meetings in 2012 Tuesday 30th Oct & Tuesday Nov 27th
